Pawnee Bill's Wild West.

Coming to Rich Hill, Wed. Oct. 2. Pawnee Bill and his gathering of hero horsemen from many climes are coming here with their splendid exhibition. All the stirring scenes will be enacted by genuine Indians, Cowboys, Cossacks, Mexicans, Australian Bushmen, Arabs, Gauchos and natives from many lands. The detachments from the foreign armies together with a full battery of artillery, will give a grand military review. Over a thousand men and horses are employed.

Not the least of the strong attractions are the sharpshooting contests in which May Lillie, the champion woman shot, figures prominently. During the performances the spectators will see the strange accoutrements worn and carried by Kit Carson in '49.

The show itself has so many good features that it is hard to particularize them. There is so much that is instructive and novel in the entertainment and so attractive that an afternoon or evening passed in the company of Pawnee Bill and his associates should prove alike agreeable to young and old.

Major Gordon W. Lillie is better known the world over now as "Pawnee Bill." This soubriquet he earned by serving his government among the Pawnees and by having been chosen by that band of warriors and useful nation as its own white chief and interpreter.

A new and added feature is the juvenile wild west for the children. Indians, Arabs, Cossacks and Western boys and girls participate.

Something to Remember.

When a cough or cold is long neglected consumption almost invariably follows. Remedy is Mexican Syrup only cost 25 cents a bottle, and yet has proven in many thousands of cases an absolute safe cure for coughs, colds and consumption. Taken in time it cures quickly. Children like it because it tastes so good. Insist on your druggist keeping it for sale. He and the seemingly miraculous cures it has effected, printed on the wrapper around the bottle.

A Pitiable Sight.

What is more pitiable than to see a puny, delicate little child absolutely dying from neglect. There are many little ones whose cheeks would grow rosy, whose eyes would grow bright, whose flesh would be plump and pretty if only the worms that are gnawing at their vitals were removed, which is easily effected with Mother's Weirum Syrup, so nice to take that children ask for it. Also a cure for tape worms in grown people. Try a 25 cent bottle.

The Secret of Good Health.

The secret of beauty and good health is cleanliness. Uncleanliness breeds disease. Internal cleanliness is even of greater importance than external. Keep your liver active and your bowels thoroughly clean by taking a Mexican Root Pill occasionally. Their use does the nerves, kidneys, etc., good also. Only 25 cents a bottle.

When your joints and bones ache and your flesh feels tender and sore, a 25 cent bottle of Good Old's Quick Relief will give you quick relief. Best cure for colic.

QUEEN ESTHER.

Mr. Bok's Advice on Marriage.

A young man recently wrote to the editor of The Ladies' Home Journal asking: "What have you to say, squarely and fairly, to a young man of twenty-nine who is about to marry?" In the October Journal Mr. Bok uses a page for his answer. Its salient points are these: that a man should make the woman of his choice his chum, as well as his wife; that he should show her the highest consideration as well as love; that he should remember that he owes his wife to her mother, and treat his mother-in-law with respect, at least; that he should keep his wife informed as to his income; that he should give her a regular allowance and that he should have his life insured in her favor. And above all, that when a young man marries he must remember that he leaves a world of self and enters into a world of another and self.

—William Mudd (Bill) has returned from the Kiowa country less 45 pounds in weight. Bill says he has got enough of the promise land, "Missouri is good enough for him." He tells an interesting story as to how the people get along in that country. Carpenters get \$1.50 per day with about four men to each job, and all other work in proportion.

If you don't read THE TRIBUNE you fail to read the best local paper in Bates county.

It Is a Great Mistake.

To set up our own standard of right and wrong and judge people accordingly.

To measure the enjoyment of others by our own.

To expect uniformity of opinion in this world.

To look for judgment and experience in youth.

To endeavor to mold all dispositions alike.

To look for perfection in our own actions.

To worry ourselves and others with what cannot be remedied.

Not to yield in immaterial matters.

Not to alleviate all that needs alleviation as far as lies in our power.

Not to make allowances for the infirmities of others.

To consider everything impossible that we cannot perform.

To believe only what our finite minds can grasp.

To expect to be able to understand everything.

Let It Alone.

Scott's Emulsion is not a good medicine for fat folks. We have never tried giving it to a real fat person. We don't dare. You see Scott's Emulsion builds new flesh. Fat people don't want it. Strong people don't need it.

But if you are thin Scott's Emulsion is the medicine for you. It doesn't tire you out. There is no strain. The work is all natural and easy. You just take the medicine and that's all there is to it.

The next thing you know you feel better—you eat better—and you weigh more. It is a quiet worker.
